## **2021-2022 Bus Registration Update:**

*To register your student(s) for transportation, you will need to download the Parent Portal app and submit a bus registration within this application.* Edulog Parent Portal smartphone app is our central hub for all your transportation needs. By using our app, you can easily register your student(s) for transportation, receive bus assignments, and live-time communication. A few benefits of using our app involve the real-time location of your student(s) school bus and notifications when your bus will be arriving at your assigned stop. **If you are registering for the app for the first time, please use your child's current grade/school.** Please visit <https://helenaschools.org/departments/transportation/parent-portal/> for all information regarding registering your student.
